Sanctuary Advisory Council

GREATER FARALLONES NATIONAL MARINE SANCTUARY

Recommendation to Pursue Possible Regulatory Changes in MPWC Regulations

At its August 29th meeting, the Greater Farallones Sanctuary Advisory Council recommended that the Greater Farallones staff, through the through the Monterey Bay National Marine Sanctuary Management Plan Review process, pursue the possible regulatory change in the Motorized Personal Watercraft (MPWC) regulations of eliminating zone 1 in Pillar Point Harbor based on the lack of MPWC use as documented by Beach Watch Data and the difficulty and high cost of maintaining zone markers.
